

Wednesday, 05/31:

- Due to some backlog we decided to focus on completing the MVP this week instead of doing anything else. All group members were assigned tasks to work on.

Friday, 06/02:

- Check in to see how group members are doing and how work is progressing

Saturday, 06/04:

- Check in to see how people were doing with their tasks. People were doing okay, frontend operation and integration was in progress. Testing needed to be done.

Monday, 06/05:

- Another Group meetup. Roles were reassigned and creating an MVP is in progress.

Tuesday, 06/06:

- Meetup scheduled as the group project is due on this day.
